DESCRIPTION OF THE FLAT

LOCATION OF THE VILLAGE, AND OF THE HOUSE

Venosc is an old mountain village, located in the Veneon valley, at 1000m altitude (3300 feet high). It belongs to the Ecrins National Park : this is the guarantee of a protected nature. The village is connected to the Deux Alpes resort, with a comfortable cable car which will take you there within 8 minutes (its cost is included in the Skipass).

The 3-room flat is located in our mountain family farm in the hamlet « la Ville », one of the most sunny of Venosc. The front wall and the terrace are southward oriented, and are looking towards an orchard and meadows with the sheep of the owner. The view is remarkable on the summits of the Ecrins National Park : Rochail, Aiguille de Venosc, and the Muzelle glacier (3465m).

André Brun, presently guard in the Ecrin National Park, and former ski teacher will give you all advices for you summer or winter stay. Moreover if you are coming in a quiet period (September, October, May, June) out to the busy period of school holidays, he will be happy to take you for a one day discovery of our valley and he will tell you how to observe the chamois, watch the marmots or the eagles...

In the village itself, there is only a small grocery shop : we advise you to foresee the basic food provisions. During the stay you can easily shop at supermarkets in Bourgs d'Oisans (15km) or in the Deux Alpes resort after your day ski and before returning home with the cable car.

For your evenings, in the village : restaurants, pan cakes shops, etc...

We remain at your disposal for any additional information. We hope that this offer will suit you and remain

Yours Faithfully
